# WINERY SERVICES

## One Source. Many possibilities.

G3 Winery Services provides exceptional single-source packaging and supply chain solutions to the wine market. As your total resource, we manufacture, package, bottle, warehouse and transport – so you can focus on what you do best. Our solid reputation, experience and industry partnerships make it easier than ever to grow your brand.

Whether your products are value-based, ultra-premium or something in between, we offer both standard and customized packages to meet your needs. Count on G3 Winery Services for personalized service, exacting standards, one convenient point of contact, and most importantly, peace of mind.

## The difference is in the details.

- Wine sourcing blends that fit your style
- Pressure-sensitive label printing, with optional foil-stamping and embossing
- Wide range of closures from corks and capsules to aluminum screw caps
- Bottles in a variety of weights, shapes, sizes and colors
- Cutting-edge bottling services

## More value-added services.

- State of the art Mobile Bottling
- Hand crafted bottle decorating and etching
- Label design
- COLA registration
- Repack/reselect services
- Warehousing and global transportation
- Technical services

Partner with us and take your success to the next level. We set the standard for full-service packaging and supply chain solutions, offering unsurpassed quality, commitment and expertise. Experience for yourself what G3 delivers.

EXPERIENCE. SOLUTIONS.
