DtC Shipments Feel the Love with 37% Growth in February

Direct-to-consumer (DtC) shipments rose 37% in February 2017 versus a year ago, totaling \$239 million according to Wines Vines Analytics/ShipCompliant data. Volume rose 28% to 475,601 cases. While small and mid-size wineries continued to benefit from the channel, wineries producing more than 500,000 cases posted a 66% increase in sales over the past year. While making just 5% of DtC shipments, the biggest wineries claimed ground lost by the country's smallest producers.
