Winery Job Activity Up 15% for 12 Months; Sales and Marketing Jobs Dip in November

It was a busy hiring year for wineries, according to Winejobs.com, which measured 15% growth in its Winery Job Index for the 12 months ending in November. As the year neared its end the index dropped 19% below November 2011, however. One of three job categories that Winejobs.com measures accounted for most of the drop. Sales and marketing jobs fell 39% from November 2011. The hospitality index decreased 7 %, but the winemaking job index grew by 4%.
